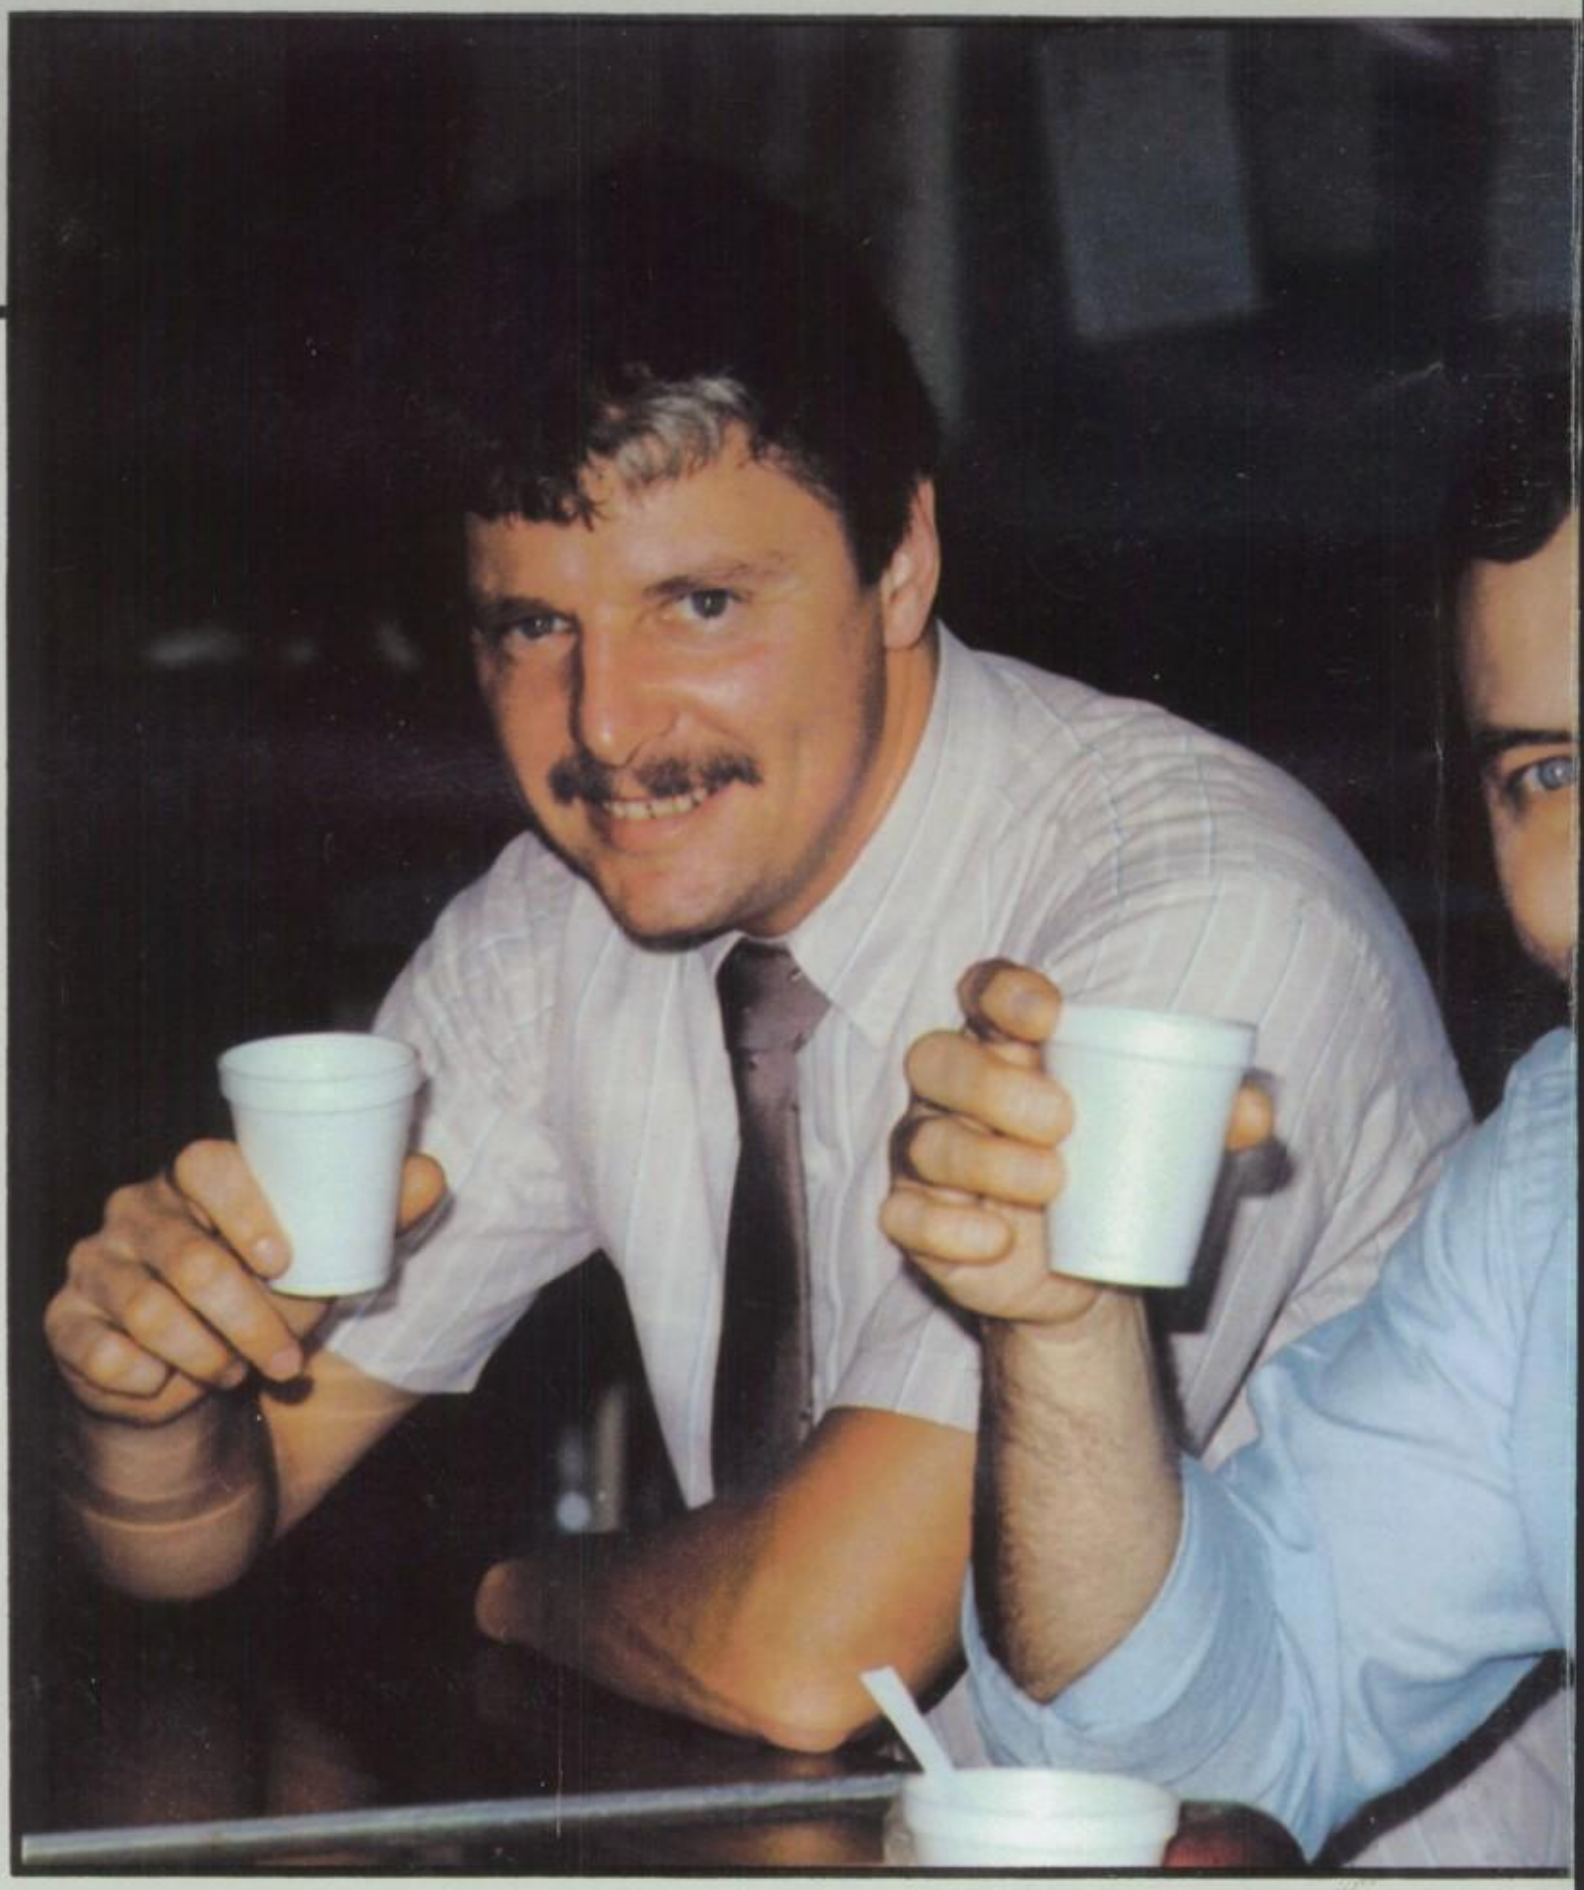
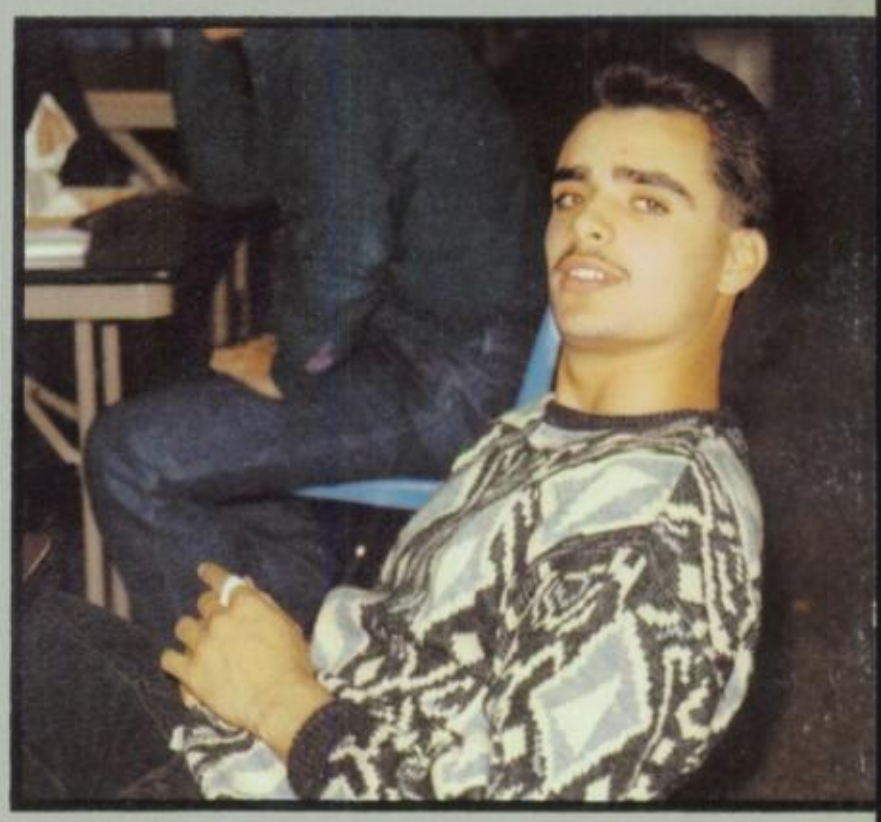
Bristol Eastern High School

Bristol, Connecticut

New Attitudes





As the days, months, and seasons changed in 1986-87, so too did attitudes change throughout our school. Classes, clubs, and teams, while maintaining their unique identities, seemed to be experiencing a coming together with one another — a sharing that heretofore had not been a part of our educational community. There were many challenges to be met and brought to acceptable outcomes for all, and because the Lancer family had come to believe in itself, no challenge seemed insurmountable.

The many physical changes that took place brought about a much needed face lift; however, they also seemed to bring about a remarkable uplift in the morale of all.

Clearly, our school was establishing a new presence — that of an institution of learning gradually becoming a credit to its student body, faculty, staff, and community.

We did not take our commitment to excellence lightly; it was not given as an idle boast, and we knew that only through our coming together with a new spirit of dedication and hard work would we make it truly representative of our school.

New Attitudes

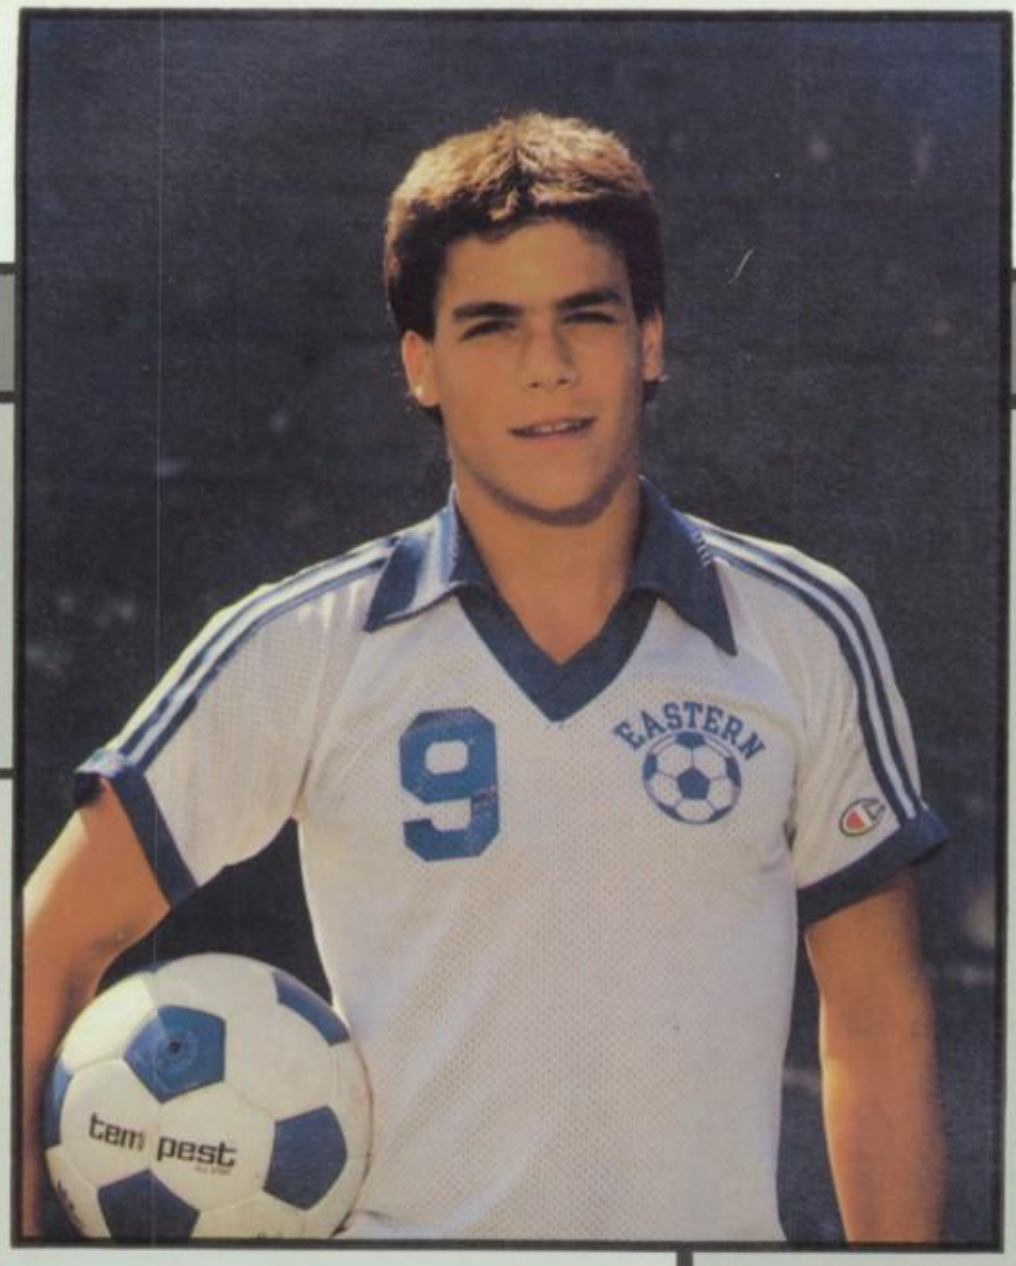
During our senior year, an exciting rebirth took place in Bristol. The city became the center of many flourishing industrial enterprises.

Shopping areas took on new appearances. Plazas and malls were the shangri-la of the shopper, and all reflected the booming economy. Bristol Centre Mall added many stores with such intriguing logo as: Deb, All That Glitters, and The Newsrack. Restaurant offerings were bountiful; and cuisine, representing many ethnic groups' tastes, was available.

The center of Bristol was not the only area experiencing a rebirth. Our outer city became the home of one of the largest amusement parks in New England, Hersey Lake Compounce. It was also the oldest amusement park in the country. Across the street was ESPN, a successful, national T.V. sports endeavor. The most recently constructed edifice was the Otis Elevator testing sight; it was the tallest building in Bristol. However, it was not to hold this title for long, because a new hotel was about to be erected. Future structures planned included many projects designed to attract tourist from many parts of the world.

Everyday, Bristol took a step toward becoming a city of great change. A change that came from a communal concern and therefore a commitment to construct and maintain architectural and topographical designs that would be satisfying examples of beauty and permanence, for years to come.

New Attitudes

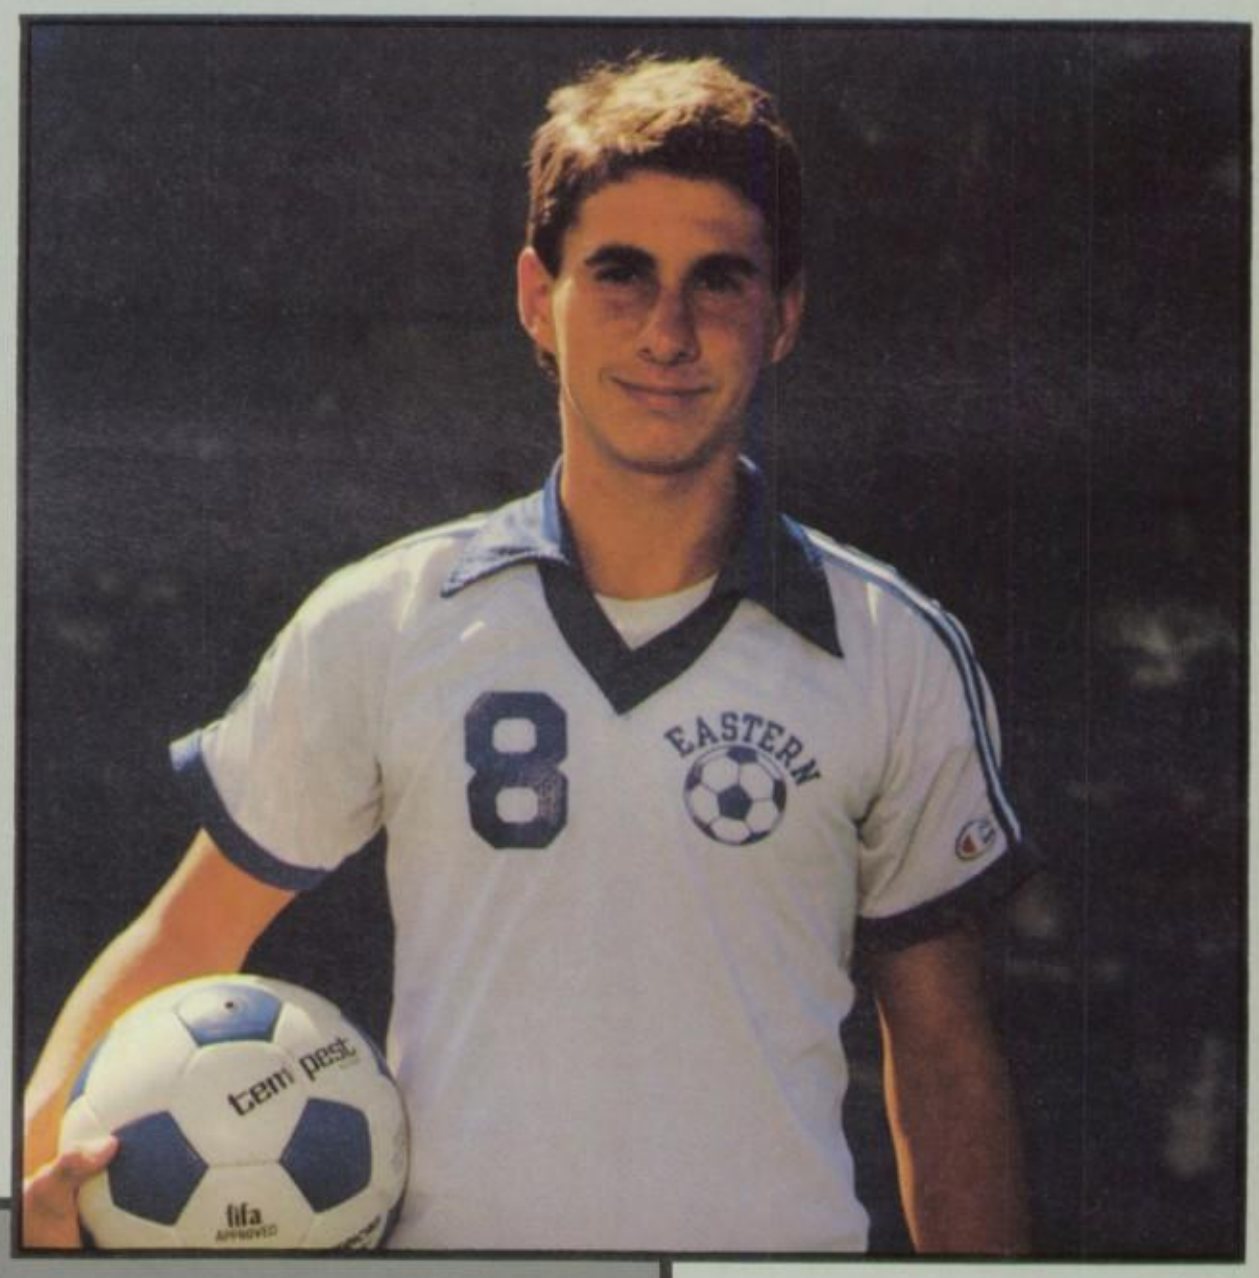


During the years 1986-87, it became increasingly apparent that there was renewed interest in athletics at Eastern. Many talented young people suddenly became members of our various teams' rosters. As a result, the Lancer's athletic schedules flourished in the win column.

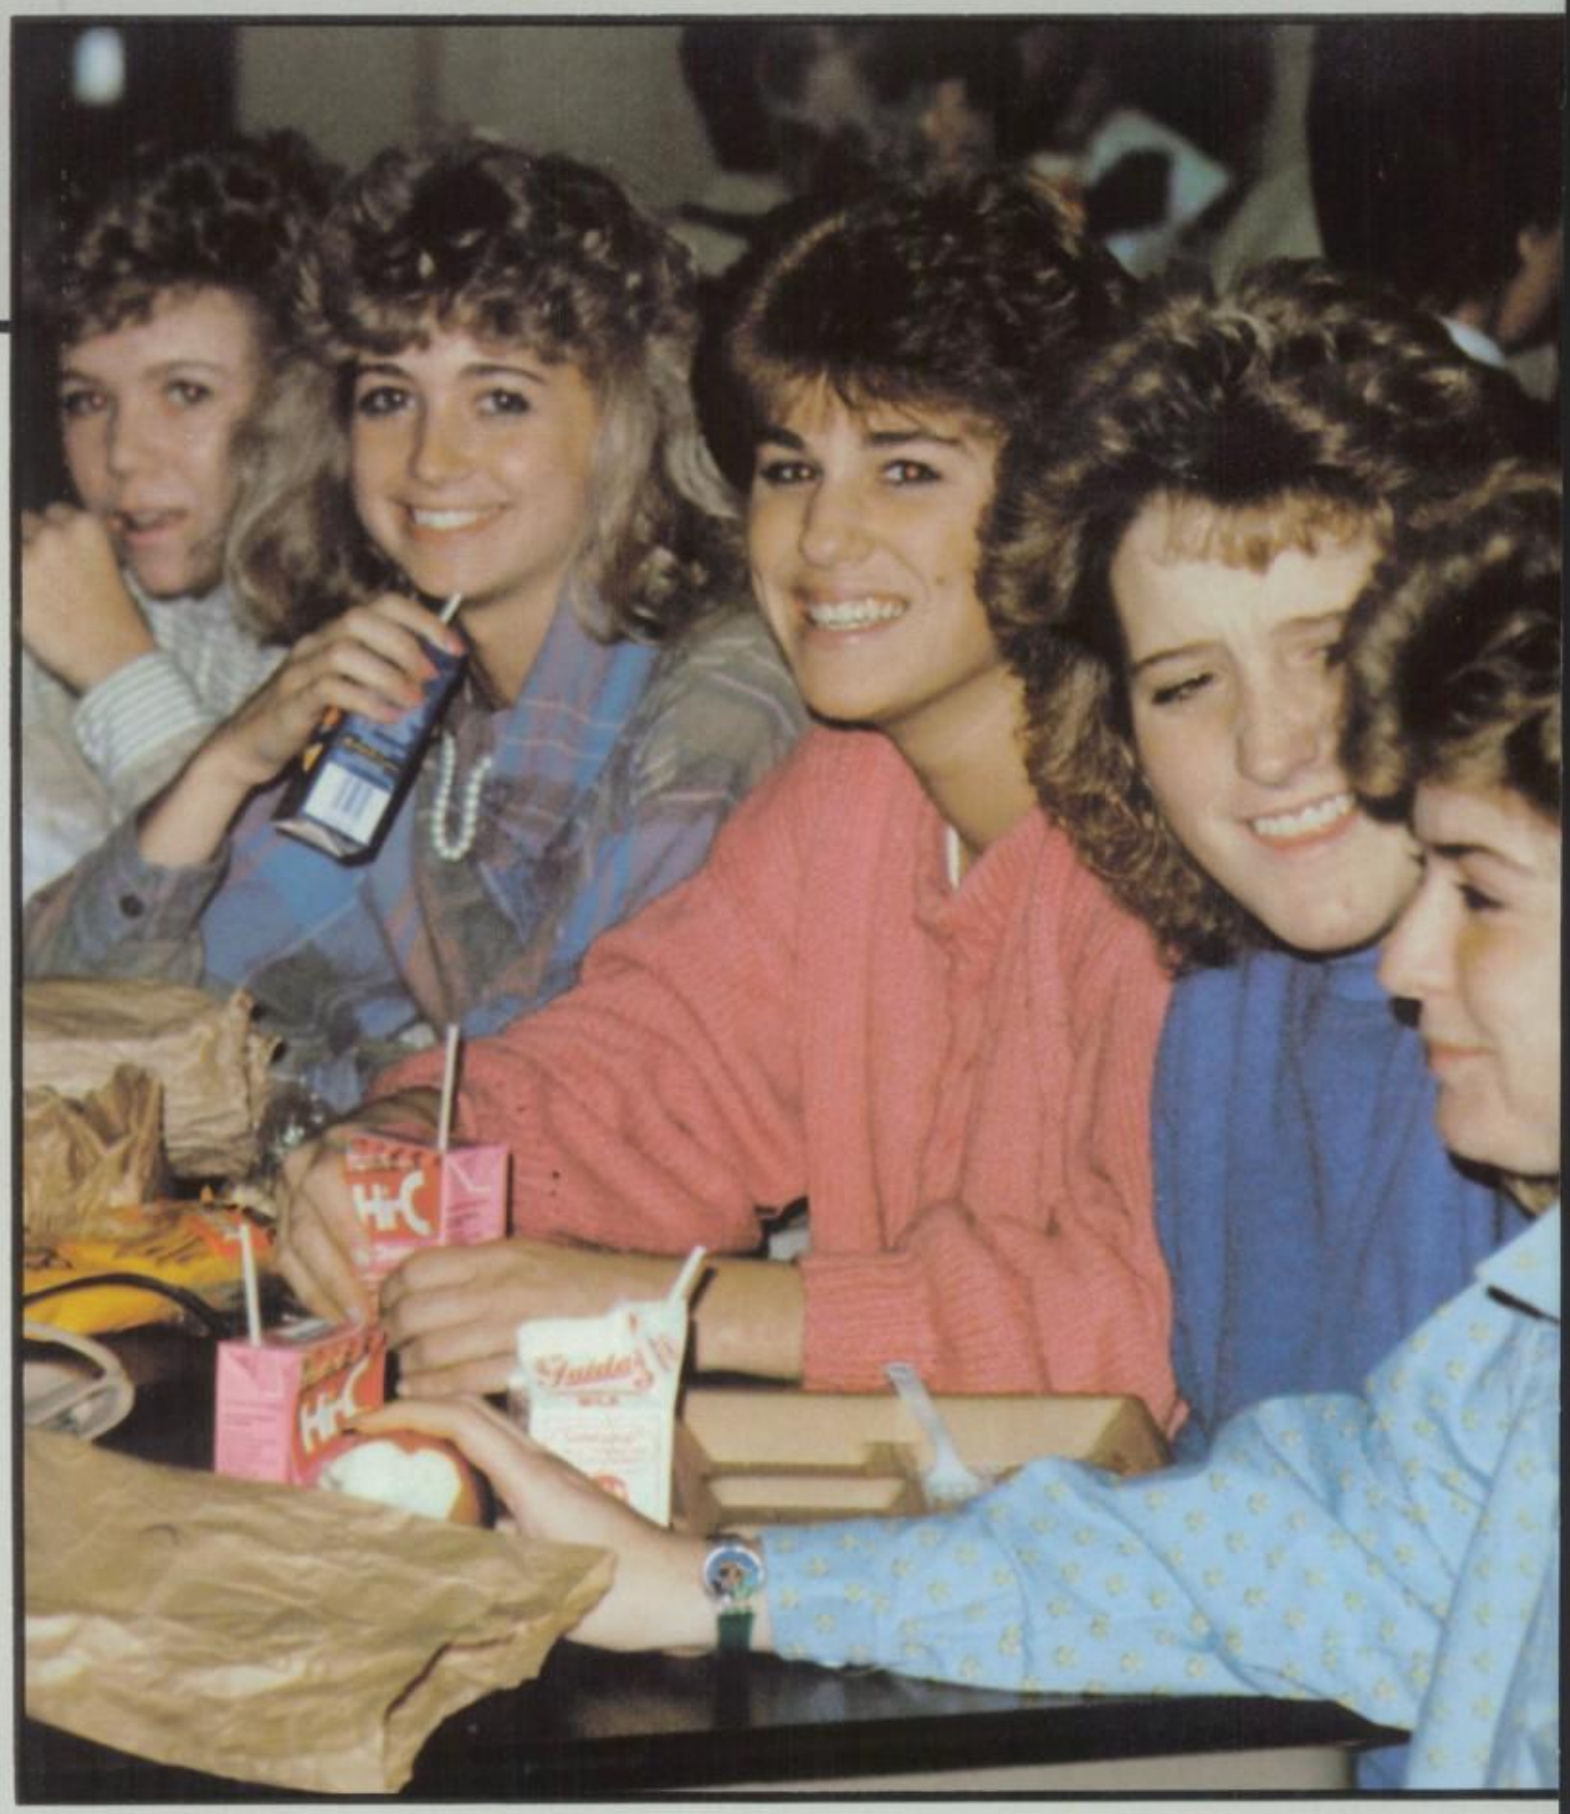
The football team, despite a frustrating season, started *it* off on Thanksgiving Day 1985 by beating crosstown rival Bristol Central 14-6. This victory seemed to spark a renewal of spirit in our fellow combatants. The '86 Baseball team, furthering new attitudes ran away with the season; they proudly became the Class L state champions. With the return of many varsity players who would fill the shoes of graduating seniors, our '87 squad had excellent potential for again taking state laurels.

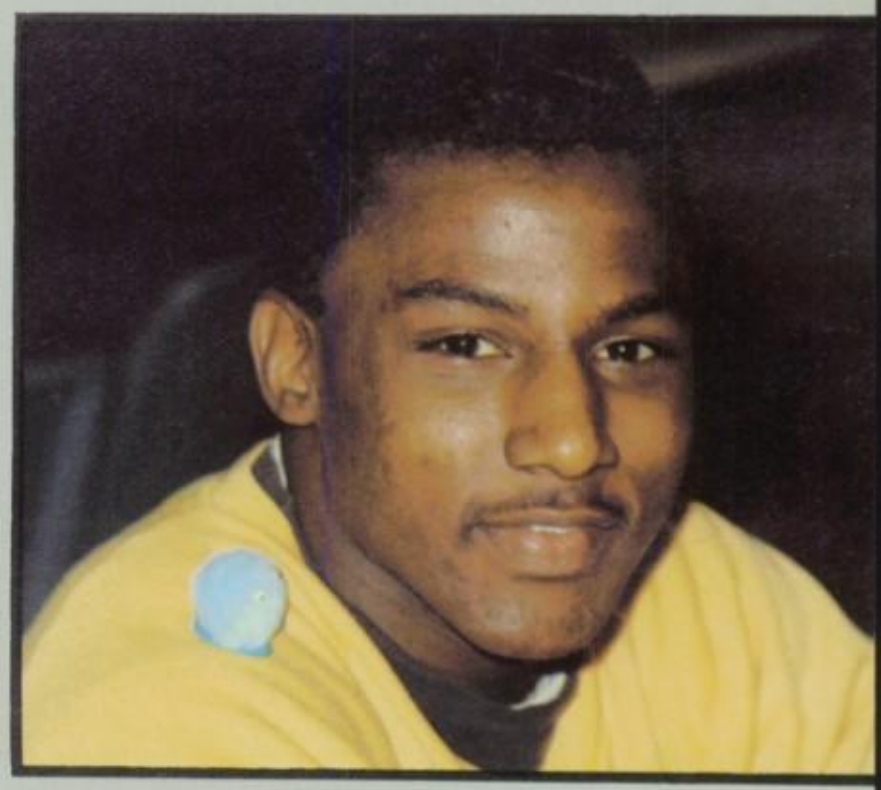
The success of our soccer teams had been phenomenal. The boys' team recorded its third straight year of ten wins or more in the regular season; it also earned a position in the state tournament for the third straight year. The girls too performed with the same remarkable aplomb, and for the first time became state finalist. And finally, our volleyball team attracted our school's, and indeed our city's rapt attention with their homeric performances in the state tournament.

Our Lancer teams came through with inspired sportsmanship performances and sincere dedication during our senior year. We hoped that the new attitudes acclaimed as an intergral part of our sports program would serve as a beacon of inspiration for all future Lancers.



New Attitudes





Senior year! A time filled with college applications, SAT scores and senior pictures; a time for enjoying friendships that had grown over the years, and finally, a time for saying goodbye.

As adolescents on the threshold of adulthood, seniors felt a new sense of freedom and independence, the desire to be an individual, not just a member of the crowd. Perhaps this was how we grew over our four years at Bristol Eastern.

Academic growth dominated our lives as well. Four years of hard work and study helped mold each of us into being potential leaders, and hopefully, prepared us for whatever lay ahead. Consequently, as seniors, some individuals were rewarded for their hard work and leadership in both school and the community by being inducted into the National Honor Society.

Because leadership and success, however, are not always found in academia, many students channeled their energy and enthusiasm into other disciplines our school offered and would always offer: captains and co-captains of our athletic teams, presidents and vice-presidents of our vocational programs, drum majors, band masters, music group and drama directors; these were those who consistently represented the school with dignity, in good times and bad.

Senior year is clearly a time for reminiscing about the fond memories of high school years. The carefree attitude of the senior class, the last rally, the last Turkey Day game, and the last prom.

It was true that with graduation came the end of many beautiful experiences; but it was also the beginning of many more.

The 1986 Bristol Eastern High School Baseball Team became the first boys' team in the school's history to win a state championship, capturing the Class L title with an 11-7 victory over East Lyme.

The season started poorly for the Lancers as they struggled to an early 3-5 record. With a few changes and the return to the lineup of Gary Belanger, 1985's leading hitter, Eastern took off, winning nine of their twelve to finish the regular season at 12-8. Included in this record was their ninth city championship in the last twelve years.

The state tournament began with a 6-3 victory over Foran of Milford. Jim Phelan pitched the victory while Ron Theriault's defense and Mike Granger's hitting sparked the win.

Game two was an exciting affair against top rated Masuk of Monroe with a record of 17-3. After spotting the opponents a 4-0 lead in the top of the first inning, Gary Belanger and Mike Minella tied the game in the bottom half of the inning with back to back two-out doubles. The Lancers went on to win 7-6 behind the pitching of Brian Harding who turned in a courageous effort against a powerful team.

The championship game was highlighted by home runs by Rich Latko and Gary Belanger. Phenal and Butler, who had been injured for much of the season combined to pitch the clincher. Ron Theriault made several spectacular plays in rightfield while shortstop Buchanan and second baseman Fiondella again provided solid infield defense.

The J.V. Baseball team, coached by Mr. Krampitz, had a banner year with a 17-3 record. Eastern averaged over nine runs a game because of power hitting by Mike Hussey and J.R. Anderson. The couple combined for over ten home-runs and were aided at the plate by Steve Salvatore and Nick Stacks. Defensively, Steve Kauke sparked the outfield, while Nick Stack, Jim McPhee, and Todd Barlok did the infield duties. Ken Knox, Dave Romans, Scott Gaudet, Mike Hussey, and Dan Valentino did most of the pitching for the Lancers.

This year's freshman baseball team was led by a strong pitching staff consisting of Jesse Archambeault (6-1), Danny Case (3-0), and Jason Kelly (3-0). Coached by Duke Snyder, the freshmen took twelve out of thirteen games from their opponents and averaged over ten runs a game. Eastern was led at the plate by Craig Ciquera, Sean Greger, Jeff Hosaflook, and Jay Ray. Defensively, Greger, Scott Atkinson, and Jim Bernier contributed consistent efforts. The twelve victories established a school record for most wins in a freshman season; thus exceeding the old record by one.

Eastern's softball team returned to tournament play as they fashioned an 11-7 regular season record. Laura Lishness, an all CCC South pitcher, tied the school and city records for career no-hitters with eight, while establishing a 1.07 ERA. Leading hitters for Eastern were Lishness, .447 and Rachel Letizia .442. Amy Gagnon was the "leader" of the infield, while Anne Wisyanski played that role for the outfield. Laura Salerno led all fielders with a .992 percentage while strong freshman efforts were recorded by Jennifer Kron and Cheryl Kaczmarczyk.

Eastern lost a tough 2-1 game to Shelton in its first tournament game in two years.

Girl's J.V. Softball, coached by Gail McMahon, had a spectacular 13-3 season. Eastern had a high powered offense that scored in double-figures 12 of their 13 victories this was primarily because of the hitting of Jen Clark, Cherl Kaczmarczyk, Melissa Hitt, and Christy Miller. Defensively, Ali Letizia, Jill Jackson, and Miller provided many put outs at their respective positions. Kaczmarczyk, Clark, and Kathy Ferrier handled the pitching duties for The Lady Lancers.

Hustling And Hurdling Through '86

The 1985-86 Boys' Track team began its first half on a bad note, but evened off the season with a 6-6 record, defeating Bristol Central in its final contest. The large squad, which graduated nine seniors, was led by top scorers: Chris McCarthy, Juan Baiz, Mike Hanley, Paul Armstrong, Chuck Watts, Scott Wentworth, and Mike Mills. The season was highlighted by their taking first place in the Greater Bristol Invitational. In that same meet, Mike Mills broke the school record for the 5000 meter race. With the return of many inspired underclassmen, the team is psyched toward another record-breaking season.

Swing With The Champions

The 1985-1986 Boys' tennis season culminated after two seasons of hard work. Led by a strong group of seniors; Captain Liam Walsh, David Rock, Rob Braddock, Darrin Lowrey, and Jeff Caggiano, the team compiled a 13-3 record and won the CCC Southern Division League title.

The key to their success was team depth. Every match required the combined effort of ten players. This effort became apparent during the eight consecutive victory stretch drive which lead to the team title.

A strong group of improving underclassmen place the team in a positive position for next season.

12-2 Leads To State Finals

1986 was another successful year as the Varsity Soccer team finished with 12-3-2 record and set numerous individual and team records. Eastern captured the City Series by defeating Central 3-0, 1-0, and topping ST. Paul, 2-1.

The team was led by Tri-Captains Ed Hale, Dave Losey, and Nick Stack. Both Losey and Stack were named to the Central Connecticut Conference Southern Division All-Star Team, along with junior goal scorer, Tom Verardi, and sophomore scorer, Chris Ghiglia. Losey was also selected as a defender on the Connecticut Soccer Coaches All-State squad.

Verardi and Ghiglia set the school single season scoring mark with 19 goals each. Goalie Kraig Keegan allowed only 18 goals in a 2 year span to set another record. The team broke a 1963 record by playing 11 consecutive games without a loss, and tied 1985's record of 53 goals scored in a season.

Other key performers were senior defenders John Crowley, Dave Romans, and Tom Winiarski, junior Eric Wusterbarth, while Sean Greger was solid at sweeperback. Senior attackers Mike Dufini and Pete Kovalski, whose goal beat Central in the second game, and juniors Jim Peters and Todd Barlok kept Eastern's offense rolling.

At the end of the season, the coaches gave the M.V.P. award to the whole team as a symbol of their team spirit year long.

Boys' Varsity Basketball

The Bristol Eastern Boys' Basketball team enjoyed an outstanding season in 1986-87. Their overall record was 15-7, including a 10-4 conference mark which placed them second in the Southern Division of the Central Connecticut Conference.

The highlight of the season was their gaining a birth in the state tournament and winning in the opening round against a much taller Branford squad. Other exciting moments came in an emotional overtime loss to city rival St. Paul and in a victory over an outstanding Bristol Central team that was an eventual state finalist.

Although they were the smallest team in the league, the Lancers constantly amazed opponents and fans with their hustle and unselfish play. Juniors Keven Shepard and Linsie Esau led the scoring and rebounding, with Shepard gaining All-Conference honors for his excellent all-around play. Captain Jeff Fiondella provided outstanding leadership throughout the season. Other players who contributed significantly to the team effort were seniors Sean Farrell, Steve Salvatore, Kraig Keegan, Julio Maisonet, Dave Romans and junior Mike Hussey.

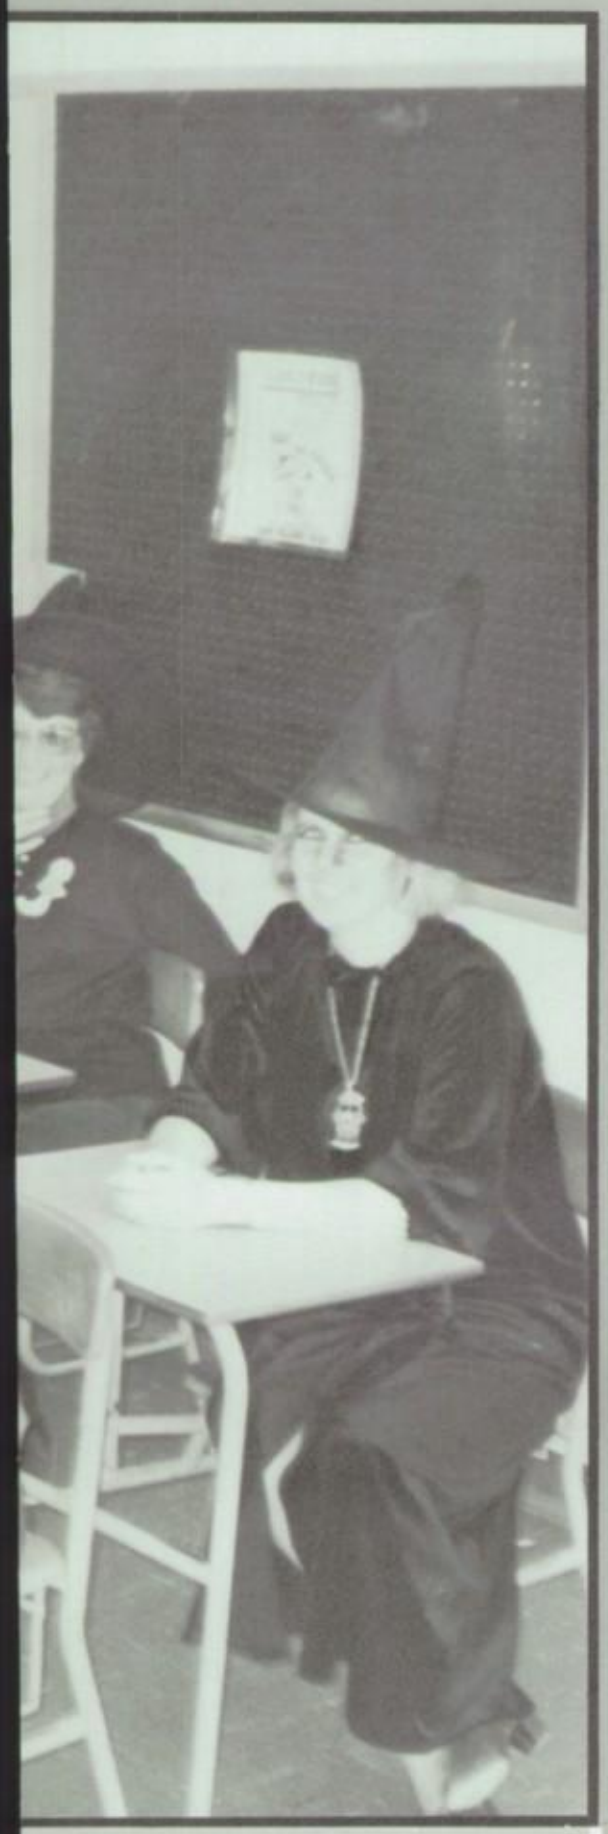
ACADEMIA



FOR
TEST CENTER

V. Everett Lyons, Jr., Ph.D., Principal

Administration

The Class of 1987 will confront many challenges as citizens of the 21st century. In thirteen short years we will move from this century to the next. It will be this future time period in which the rate of social change, the amount of available information and the level of technological innovation will accelerate beyond our current comprehension.

Your educational program at Bristol Eastern has been designed to prepare you for this future world as well as for a lifestyle in the present. Your ability to respond to rapid change and to succeed in the Informational Age in the next century will be directly related to the academic and co-curricular experiences in which you have engaged while a high school student.

I wish you the best in the future and urge each of you to uphold the standards of excellence learned at Bristol Eastern High School. To do your best in each endeavor and to serve mankind is a tradition among "Lancer" alumni.

Sincerely yours,

V. Everett Lyons

Mike,
To my brothers friend
Whom I've known my
entire life. It's almost
like you + Greg are also
my brothers. Remember
all the rotten things I
used to do to you boys
in your younger days? How
could someone be so awful
to people who are just
livin' it up. Sorry I'd!
Anyways, best of luck to
you in the future years.
Love Always,
Barb S.
xoxo

Mike-

Michael,
Hi dummy.
Can you believe it's
finally over? It was
a long haul. The more
law passes, no more suspensions
for being late, and no more
waking up for homeroom
Take care of yourself always
remember the good ole days
Stay out of trouble! Maybe
we'll see each other around.
Don't forget me OK?
Love,
Cindy Stew
